I attended a scholarship coaching session by **Arizona Tuition Connection** and thought it might benefit your family too!

This session was an EASY TO UNDERSTAND summary of how the tax credit scholarship program works. **I get it now!**

I learned about:

- The types of scholarships available and which my family is eligible for.
- The free tools offered by Arizona Tuition Connection to help my family get scholarships.

Future coaching sessions are on their website:  
**[www.arizonatuitionconnection.com/events](http://www.arizonatuitionconnection.com/events)**  
You can attend any day or location!
